Zach,

Epidemico has developed proprietary software and operates HealthMap databases, websites, algorithms, database architectures and news sites (the "HealthMap System") which collect, aggregate, analyze and disseminate information relating to world-wide infectious disease outbreaks and health-related incidents (the "Information"). The software is available for license where licensee has rights to use the platform and receive real time data feeds.

Should you need any further assistance, please do not hesitate to contact me, at kelly@epidemico.com or +1(617) 938-0252.

Sincerely,

Kelly Wahlberg
